

Dear Parents,

The radio is playing a favorite holiday tune, all the Christmas decorations are on sale in the stores, Santa is arriving all over the place, egg nog is on grocery store shelves again and last but not least the decibels and activity around the Unicorn have increased *tremendously* – sure signs that Christmas is around the corner.

Our 15th Annual “Bid 4 Kids” Silent Auction was once again a great time with many walking home with great bargains and helping out our cause! Thank you very much to all the businesses and individuals who donated products, gift certificates or their time. With the help of local contributors and many volunteers we managed to raise over \$3,700.00 with the Silent Auction, Christmas café and our 50/50 draw! Please take a minute to review our list of contributors and keep the local business in mind for Christmas shopping.

Just a little reminder to please inform the office if you are planning to take some vacation weeks during the holiday season.

The best of holiday seasons to you and yours

JUNIOR PRE-SCHOOL

Brrr! It's the season of warmer clothes; please ensure all of our friends have caps, hats, mittens, warm jackets, splash pants and boots. Children are required to have outdoor activity on a daily basis.

Please remember that Nov. 20th is "National Child Day" we celebrate children as active participants in society.

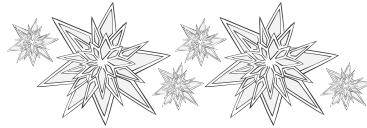

We shall observe and explore the activities of squirrels in Centennial Park, collect and examine colorful fall leaves and explore the world of shapes.

Moms and Dads, thank you for helping with our alphabet book project and it will be ongoing through the year.

Gym dates this month will be Nov. 1st, 15th & 29th.

Be proud of your children – they are all learning to work together co-operatively, sharing and using language to help solve their problems. The United Nations could learn some valuable lessons from YOUR children.
